

Play-Well
TEKologies

PRE-ENGINEERING

AT AUDUBON ELEMENTARY SCHOOL
OPEN TO GIRLS & BOYS GRADES K-2
8 MONDAYS at 3:10-4:10

CLASS DATES: January 11-March 22; No Class 1/18, 2/15, 3/15

Play-Well TEKologies provides project-based programs designed to teach principles and methods of engineering, architecture, and science to grades K – 8th, utilizing the LEGO™ building system. We strive to build problem-solving skills, provide an opportunity for creative expression, foster a greater appreciation of how things work, and encourage the qualities of inquisitiveness, self-reliance, and self-confidence in children. We do this in the context of fun-filled engineering and architectural projects that both the children and our instructors enjoy! (This class is not affiliated with the LEGO Group.)

ENGINEERING FUNDAMENTALS- CLASS FEE: \$115

NUMBER OF SESSIONS: 8

Pre-Engineering

Create, Play, and Learn. Build a town, city, or star base with houses, buildings, pyramids, bridges, tunnels, towers, and more. Build motorized cars, trains, buses, and trucks; race them; crash them; repair them. Explore the many possibilities of LEGO® building systems while learning useful construction techniques.

Class size is limited and enrollment is on a first come first served basis. All materials will be provided. No refunds will be issued after the first class. Refunds only issued prior to first class.

For more information about Play-Well TEKologies, visit our website at www.play-well.org.

Questions? Please contact Bobby Baird at bobby@play-well.org or 206.484.1043 or Extended Classes Chairperson Julie Haase at juliehaase@gmail.com.
