Principal's Message:

Dear Families,

It was wonderful to see so many families meeting with teachers during conference week. I hope that you got as much out of your conferences as our teachers get from chatting with you. Keeping the home/school communication lines open is one of the best ways to help your child be successful at school.

Baby, it's cold outside! Now that winter is upon us, I want to remind you to please send your children to school dressed appropriate for the weather. We want to keep children safe and comfortable but it is important that they get outside during recesses to get fresh air throughout the day.

As we near the end of 2009 it is time to reflect on the past and learn from it, and also to look to the future...one ripe with possibilities and opportunity. This is a good time to set goals. As you spend time with your children over this break please help them to reflect on and be proud of all that they have accomplished so far this year. Talk to them about what they want to accomplish in the months to come and let them know that anything is possible if they put their mind to it.

I wish you all a wonderful holiday season, a relaxing and restful winter break filled with fun times with family and friends, and a healthy and prosperous new year.

Karen Dickens

Upcoming Levy/Bond Election

Lake Washington School District will have three proposals on the ballot in the February 9th election. Two levies and a bond are being introduced. The levies will guarantee the continuation of important funding for school operations, facilities, and technology. The bond measure is being introduced to fund critical building upgrades and space for expected enrollment growth. For more information, please visit the LWSD web site at www.lwsd.org.

Discovery Community School Information Night

– The Information Night will be held on Tuesday, January 12, 2010 at 6:30 p.m. Discovery Community School is located inside Carl Sandburg Elementary on Finn Hill and is composed of three multi-age classrooms for grades 1-6. You may find out more information and download a three page application from our website at www.lwsd.org/discovery.
